[Quilting Pleasures
Quilt Show](#)

Our quilt show is scheduled
for June 13-14, 2008 at the
New Hope Presbyterian
Church on Harper Road in
Clemmons. The reception
for members and their
families will be at 7 p.m. on
June 12, 2008 at the New
Hope church.

The Forsyth Piecers and Quilters Guild, Inc. (FPQG) is a non-profit organization governed by Guild Officers and operates under set bylaws. Committee Chair members help to promote quilting within the Guild and the community through local and regional projects and educational programs. The Guild also preserves traditional methodologies and adds to its history by developing and encouraging new fiber art concepts.

Time Travel

At our next meeting, we will travel back in time, exploring quilts from the past. Louise Benner, Curator of Costume and Textiles at the N. C. Museum of History, will be our guest. In addition to overseeing the state's quilt collection, she arranges exhibits such as "What We Wore in North Carolina" and the James-Farmer collection of African-American quilts. Her article, "A New Woman Emerges" appeared in the Spring 2004 issue of *Tar Heel Junior Historian*.

On April 14, Ms. Benner will present a lecture and slide show entitled "The Quilt Collection of the N. C. Museum of History." Join us for a fascinating glimpse into the roots of quilting.

Upcoming

"Silver Threads and Golden Needles" Shirley Bailey will talk about different types of needles and thread that are available for quilters at our May 12, 2008 monthly meeting.

Here is a big thank you to everyone who has already helped with the quilt show boutique! Response has been wonderful. With help from all of you, we are on the way to having a great boutique.

More On-line Quilt Shops

Our presenters at the March meeting operate an on-line quilt shop at www.quiltersgallery.net.

We also recently received word of dixie's quilting in Hudson, N. C. at www.dixiesquilting.com. This shop specializes in discontinued items.

You never need to leave home to shop!

Wanted:

Quilters Without Borders

The Mongolian Quilting Center opened in 2004 to assist needy Mongolian Women both economically and socially. The Center employs four seamstresses making quilted items to sell and three teachers who have taught over 400 women to quilt. More information is available at www.dragonflyquilts.com.

By-Law Amendment Notice

The board members suggest that Article X. Term of Office should be amended so that it reads, "The elected officers (i.e. President, Vice President, 2nd Vice President, Treasurer, and Secretary) shall serve for one year per office, but may be re-elected. The term of these officers shall be limited to a minimum of one (1) year and a maximum of four (4) years."

This issue will be open for discussion at the March meeting, and will be voted on during the May meeting, along with the election of officers for next year.

For your reference, the current Article X of the by-laws states: *The elected officers shall serve for one year per office.* The elected officers are President, First Vice President, Second Vice President, Secretary and Treasurer.

Boutique Workday: Help Wanted

Saturday, April 26 is the date of the boutique workshop. From 10:00 a.m. to 4:00 p.m. we will meet at Parkway Presbyterian Church to make sewing machine covers and rotary cutter keepers. Please bring sewing machines, cutting and marking tools, basic sewing supplies and thread. We will also need several irons and ironing boards and a few extension cords and power strips.

Each machine cover requires 1 ½ yards of heavy fabric such as pre-quilted fabric, denim, poplin, corduroy, drapery or quilt your own. For optional trim, 2 ½ yards of piping, firm braid or cable cord to cover. Also needed is matching thread.

Fabric and batting for rotary cutter keepers will be provided but we still need ½ yard of wide bias binding or fold over braid and thread for each one.

Bring a sack lunch and join us. Questions? Contact Marlene Land at 768-5805.

Mountain Time

Up here in the mountains
we know what extinct means. We've seen
how our breath on a bitter night
fades like a ghost from the window glass.
We know the wolf's gone.
The panther. We've heard the old stories
run down, stutter out
into silence. Who knows where we're heading?
All roads seem to lead
to Millennium, dark roads with drop offs
we can't plumb. It's time to be brought up short
now with the tale-tellers' Listen: There once lived
a woman named Delphia
who walked through these hills teaching children
to read. She was known as a quilter
whose had never wearied, a mother
who raised up two daughters to pass on
her words like a strong chain of stitches.
Imagine her sitting among us,
her quick thimble moving along these lines
as if to hear every word striking true
as the stab of her needle through calico.
While prophets discourse about endings,
don't you think she'd tell us the world as we know it
keeps calling us back to beginnings?
This labor to make our words matter
is what any good quilter teaches.
A stitch in time, let's say.
A blind stitch
that clings to the edges
of what's left, the ripped
scraps and remnants, whatever
won't stop taking shape even though the whole
crazy quilt's falling to pieces.

There's Always Room to Grow

Spring is in the air, and with it comes the joy of growing things. Our spring workshop is designed to help us grow also as quilters. It is entitled "25 Years of Mistakes: There is a Better, Faster, Easier Way." Rather than making a specific project, students in this class will work on improving their skills and solving problems. In fact, registrants will have the opportunity to influence the content of the workshop.

The owners of Quilter's Gallery, Patti Cline and Cindy Page, will conduct the workshop on April 19, 2008, at Parkway Presbyterian Church, from 9:00 a.m. to 4:00 p.m., with an hour for lunch. While the class will be based on one of their standard workshops, they have agreed to customize it to meet the needs of those attending. For an idea of the scope of topics available, visit their website at <http://quiltersgallery.net/wacky.htm> . The cost of the workshop is \$30, and class size is limited to 20 students.

A registration form is located on the following page. Note that there are places for you to indicate which skills you most want to work on, and what problems you most often encounter. Two weeks before the workshop, we will tally registrants' requests and send the top five topics to Patti Cline. Deadline for registration is our general meeting on April 12, but those who wish their topic requests to be counted must register by April 1.

Plan to bring your sewing machine, a representative sampling of your fabric stash, and one of your UFO's that's giving you a problem. Patti and Cindy will guide the group through some practice pieces that will help each student improve her proficiency in various aspects of quilting. Fabrics the students bring will allow us to explore fabric selection and color theory. Then, the teachers will consult with each student one on one regarding the particular problem she brought in. Patti says, "We're not miracle workers, of course, but we'll be glad to apply our years of experience to help each student solve her problem."

If you've ever thought, "I wish I knew where to go from here," this will be your chance to ask. Send your registration form and check to Forsyth Piecers & Quilters, P. O. Box 15334, Winston-Salem, NC 27113. Make checks payable to Forsyth Piecers & Quilters Guild.

Is there an Ugly Quilt?

Jan Puline, in the Crystal Coast Quilters Guild newsletter, has some suggested solutions if you ever have an ugly quilt:

- Applique over the uglies.
- Make it into everyday placements or a table runner.
- Use it as batting for a new quilt.
- Cut it up to make a vest, tote bag or stuffed animal.
- Cover a journal or memory book with it.
- Give it away. It is a perfect way to get even with someone.

A Learning Opportunity
